W.E. Graham Community School

There are many options for parents in the Slocan Valley for schooling. So, we want to tell you about our school. Our school is amazing! Our students are great communicators and are willing and able to deal with issues and solve problems when they arise. We are particularly proud of how the school works to develop our students not only academically, but socially with their peers and others in the community. Small schools face many challenges but also offer unique opportunities. Our school embraces outdoor activities and experiential learning. Our students have opportunities to develop skills at every level. Our primary and intermediate classes take swimming lessons, which are essential when living near lakes and rivers. The entire school has the opportunity to go to the ski-hill in the winter! Our Grade 7/8 class camps, hikes, bikes, climbs and canoes. We are exceedingly proud of the Valhalla Wilderness Program (Grade 9/10) which has achieved an international reputation for excellence. Mr. Marechal won the Prime Ministers Award for Teaching Excellence this year. Our school is an integral part of the community of Slocan. W.E. Graham serves the Slocan Valley by opening our doors to events held by the Community Library, the Heritage Society, Counselling, and Family Mediation. We host many community groups in our gym during the evenings. Jiu Jitsu, Volleyball, Pickleball, a climbing room, youth soccer, music lessons, badminton, first aid training. Our Valhalla Wilderness students build, maintain and ride many of the world class biking trails in the area. Our school is small in population, but mighty in spirit! You could say a reflection of our community! Our classes are multi-grade and small in numbers. This is just a little snapshot of our school. We could go on and on. We are proud and pleased to offer W.E. Graham as your local, rural community school in Slocan for your children. When you choose W.E. Graham, you are also choosing Slocan! So, let's remember the vital importance of supporting our local communities and work together to create a vibrant place to call home. Please call the school if you would like a tour and find out what we are all about! Check out our website at: <https://weg.sd8.bc.ca/> Tel: 250-355-2212. Registration for the 2024/2025 school year is ongoing now.

PUBLIC NOTICE

APPLICATION FOR PATRON PARTICIPATION ENDORSEMENT

Dated this 11th day of March, 2024

The Lobby Grill, located on the ground floor of the Slocan Hotel, at 501 Harold Street in the Village of Slocan, has applied for a *Patron Participation Entertainment Endorsement* on their existing Food Primary Liquor Licence.

Food Primary Liquor Licenses regulated by the Liquor & Cannabis Regulation Branch currently do not allow for patron participation without the endorsement – which is described as any form of entertainment that entails the active involvement of patrons or results in patrons leaving their seats, including but not limited to: sing-along, karaoke, dancing, or performance.

As part of the application process, the Licensing Branch is seeking approval from the Village of Slocan. Prior to considering approval of this licence amendment application, Slocan Council wishes to seek comments from the public. Feedback can include impact on your residence or the community as a whole.

Details of the licence application are available for review at the Village Office during regular business hours. Anyone wishing to comment on this application must do so **in writing by 4pm on Wednesday, APRIL 3rd, 2024** to appear on the agenda of Council. Comments must be in writing to be accepted. Unsigned submissions will be rejected.

Council will consider this application at its **Regular Meeting of April 8th, 2024 at 7:00pm.**

W.E. GRAHAM COMMUNITY SCHOOL REGISTRATION ----- 2024/2025 -----

W.E. Graham
Community School

Great things are happening at W.E.Graham Community School. We are now accepting registrations for all students in grades Kindergarten through 10 including applications for the Valhalla Wilderness Program for Grades 9 & 10. W.E. Graham endeavours to engage students through a wide variety of outdoor and experiential opportunities.

Primary Outdoor Program (POP): spends at least two afternoons a week exploring the local environment and is actively involved in the use of an outdoor classroom area on the Slocan River.

You may have seen them out in the community with their fancy backpacks! It's time to register for Kindergarten now!

Our Intermediate Class (WILD): is a multi-aged community focused classroom that is based on character and leadership development. This class calls themselves **WILD** (Wilderness Intermediate Leadership Development)!

Outdoor Environmental Leadership Program (OELP): Grades 7 -8's have the opportunity in which to combine experiential activities, and core academics to create a program that fosters leadership, resilience, self-confidence, and awareness of the outdoors. The program offers, cooking, photography, technology, robotics, art, and many day trips and a few overnight trips.

The Valhalla Wilderness Program (VWP) is a one of a kind junior (Grade 9 and 10 only) wilderness program that has achieved an international reputation for excellence. This program focuses on creating a learning experience which involves backcountry skiing, mountain biking, hiking and canoeing. Students receive certificates in avalanche awareness as well as first aid. This program involves 5 to 6 extended out trips as well as day trips every Friday. In conjunction with the outdoor experience, the students are also in class for a regular selection of academic classes and integrated curriculum experiences. Spaces in this program are limited and an application process is required in addition to a regular registration form. If you are not in the W.E. Graham catchment area, it is important that you complete a school transfer very soon. We will be hosting a **Kindergarten Orientation** in June. Check in with the school for date. If you have any question regarding our school or the programs, please contact principal, **Mike Hurley** at: **250-355-2212** or mike.hurley@sd8.bc.ca. Check our website at weg.sd8.bc.ca and you can find more information and registration and transfer forms there.
