2024/34

Moved by Councillor Knott, seconded by Councillor Van Bynen,
And Resolved:

WHEREAS the cost of climate change impacts in Slocan, including forest fire management, is expected to far exceed our Village budget;

WHEREAS it has been determined that the fossil fuel industry knew as far back as the 1960's that their products would contribute to climate change and global warming;

WHEREAS fossil fuel producers continue to make trillions of dollars selling their products, yet tax payers carry the entire burden of devastating climate costs;

WHEREAS asking companies to bear some of these costs is about acknowledging a shared responsibility for costs which are and will be incurred by local governments related to climate change, including adaptation and mitigation;

THEREFORE BE IT RESOLVED THAT the Village of Slocan commit to work towards a proposed class action law suit against selected global fossil fuel companies, contingent upon other BC municipalities joining and raising a combined minimum of \$500,000, and to set aside the equivalent of \$1 per resident for this purpose. Any money awarded to the Village as a result of the settlement, or court order, arising from this lawsuit is to be used to mitigate any current or future damage caused in Slocan due to climate change.

Composter
